

"I recognize when there is an effort put forth in promoting and I would say you folks are near the top if not at the top for promoting and trying to get people to your show and promoting your event." Thanks! **Gary Myers**

"I want to thank you and all your crew for your hard work it takes to bring us stuff like this. It's nice to be able to go and get all the parts you need at the same place. The way shipping is now I saved a couple hundred dollars on shipping alone. And there's show discounts so it just works out better all the way around. The way the economy is now we have to save all we can. Thanks again see you next year and GOD BLESS." **Baker1b** (4m Message Board)

"Thank you guys for an awesome event. This was our first time setting up as a vendor and couldn't have had a better experience. Smooth check in, plenty of unloading areas, and quick load up after the event. We were worried that by bringing our I-MOD show car display down it would be a hassle getting in and set up. Not the case for sure! All in attendance sure enjoyed the I-MOD race videos shown ON our car. Thanks again and put us down for next year!" **Rich Rish** I-MOD Association Director

"I am passing up a 3 day show I have done in past to attend this show. Had bad weather last year but made there. You don't want to miss this show. Having Maria doing Auction is a plus." **dirtshirt** (IOW Message Board)

"**Sponsor-Net.com** had a good time at our booth today at the Indy Circle Track Expo. Thanks everyone who stopped by." **Kylespnet** (IOW Message Board)

"the Dori's put on the best show around and we're always Thankful to be a part of it. By far the best show we do all year, with a ton of people attending, plus the Trivia Challenge on stage with our racing heroes from the past and present is well worth the price of admission. Hoosier Auto Racing Fans booth is always busy and we're always so glad for our members to drop by and say hello. If you haven't gone to this show in the past, plan to attend, if you've never set-up there, order your booth today, you won't be disappointed. It's a fun filled weekend with the HARF Banquet the following day. Hope to see you all at both events." **Bob Black** H.A.R.F. President

"Thanks for the show. I think it was good and had a lot of good interest." **Chuy Speed Service LLC**

"We were very happy with the show this year and think it gets better each year. We sold a lot of stuff in our booth and Steve Ellis also did. Thanks again and we will see you next year" **Glenn Andrew Tri-American Motorsports**

"We at Impact Racing would like to thank you guys for allowing us to be a part of your great event. You guys once again out did yourselves. Glad to hear that the economy did not hinder your attendance record. We will defiantly be back no matter what. Thank you again and have a happy day." **Leslie Anderson Impact Racing**

“Just a quick note to thank you for accommodating us at the last minute in the second. Once we did the show went great for us. We got to sell but even more important to meet people we deal with throughout the year. We accomplished both and plan on attending next year.

Everyone we dealt with at the show(workers) inside and out were very helpful.” **Larry Fasse SpeedPartz LLC**

“Thanks for putting on a great show!! We had been to the show two years before as a buyer and looker, but this was our first year as a vendor. We were in the second building. We will be back next year!” Thanks again! **Andy Charlson D C Racing**

“Great show....you and your group no how to do a show....believe me, I have been a vendor at over 300 shows and there are promoters and then there are folks who don't have a clue. Follow up emails such as this one is what separates the winners from the whiners when it comes to managing and promoting a large successful show.” **Ted & Cathy Knorr**

“With temperatures outside freezing and snow piled up the new International Outlaw Figure 8 Series didn't let the weather slow them down. Representatives from the newly formed IOFS participated in Saturday's Indy Circle Track Expo with a booth that featured the 2009 car that will be driven by Series Director Charlie Hargraves. The IOFS was on hand to pass out schedules to fans and educate people just exactly IOFS has to offer short track fans around the Indianapolis area. Over the course of the day several hundred schedules were handed out to excited fans new and old. Series officials spent much of the day being interviewed by the Indy Circle Track Expo PA team as well as several auto racing media outlets. "There is huge interest in this series right now" explained Sink. That was very clear by the media coverage we received today and the huge amount of schedules we handed out". Overall IOFS officials were extremely excited at the response they received at the Indy Circle Track Expo.” **Excerpt from press release by the International Outlaw Figure 8 Series**

“I wanted to send you a quick note thanking you for getting the National Sprint Car Hall of Fame in your show for 2009. Thank you soooooo much for getting us in this year, have a great race season, I look forward to seeing you at next year's show.” **Chuck Stowe National Sprint Car Hall of Fame & Museum**

“Really enjoyed the show on Saturday.” **Glenn Luckett CRA/Winchester Speedway**

“WOW what a turn out!! That had to be one of the best assembled shows of it's kind. Good mix of vendors & racers selling off excess. I will not miss this show ever again!” **Dan**

“We drove from St. Louis, WOW what a great show”

“Great show, I sold everything I showed-up with, and have a head start on a Focus deal for the upcoming season. Thank you” **Mark**

"I was there in the Shank Motorsports booth. I thought the turnout was great. I even had some people that bought a couple things that told me that they drove up from Nashville, TN!" *Anonyms (from Message Board)*

"Being one of the vendors there, I think it turned out great. It was real easy loading and unloading, and it seemed really organized. I would say great crowd. You guys put on a great show!" *Brad Fox*

"I drove nearly 300 miles. I liked the show and thought all was well. I want to be sure to go next year as well, as any organization like that is on the top of my to-do list" *Anonyms (from Message Board)*

"To all associated with the show: I want to thank you for giving the racers a great place and atmosphere for a swap meet. I know I couldn't have been any happier than the success we had in our booth, 1 car sold, numerous wheels sold, and other parts we were able to get rid of. Your promoting of this event is second to none. As much as I am excited about the racing season getting here, I almost as excited about next year's show!" *Anonyms (from Message Board)*

"Drove 3 hours from Ohio and felt it was definitely worth the trip." *Anonyms (from Message Board)*

"I want to thank everyone who helps put on the Hoosier Racers Swap Meet! I have been to each of the events and it has gotten better each time! It is a great opportunity for the racer to meet past legends and current suppliers! I don't know too many places where you could get the advice of the all-time USAC midget champ and feature winner (Mel Kenyon), all time USAC Sprint feature winner (Tom Bigelow), the current USAC Sprint Champion car owner (Scott Benic), and gain some knowledge from one of the sports longest running competitors and best engine suppliers by chatting with the Fox brothers in the Foxco booth! Pretty impressive if you ask me!" *Anonyms (from Message Board)*
